The previously laid brick has almost become a solid foundation which later has evolved. With some sports, the long-term expansion of its activities demonstrates its place robust in the industry. Fantasy Star Gamer is also a world-class franchise with a history of 30 years but has not forgotten. On the contrary, more long it lasts, the more demonstrates its position to keep up with regular updates and the latest games in time. This year, the 30th Anniversary of the operation of gaming operations, the Maker SEGA has made excellent use of the opportunity. The mobile version has been released as the success of the series. Not only that, but it should also become a long chain and remains rooted in the industry for many years to come. It is hoped that the Phantasy Star Saga of Idola will keep its original series status. Structurethethely Unive Star Universe was founded 30 years ago and is more widespread than ever. Therefore, the mobile game Idola Phantasy Star Saga e is even in the same universe as all the different versions of the franchise. Our game takes place in the world of Vandalia, where there's no science. Instead, powerful magic is applied to fencing and imaginary becomes a weapon that breaks the laws of physics. Dark Fell is a deadly enemy that appears frequently in the main series, including the series online. This time they have become smarter, and the mystery of the exploitation of power is more terrible than mai.II rooster in terms of Fantasy Idol Star Saga, the stronger monsters are called Idol. Hide more potent powers and can release more little monsters of their master. Players will have to work to destroy them before they reach the kingdom of really strong monsters. The well-known famous Combo RPG and Fantasy Star Star in general, JRPG, is widely applied to the game. It is also known how to move the scene from left to right. The game's controls are also easy for beginners. The control system organizes the MFI screen functionality to facilitate the movement and combination. But this game is not a fast pace: The strategic direction of the player has more than fool spam. A team of four heroes fighting against each other in the same position to attack powers, bears and speed. Plan accordingly teams and maximizes the impact of each hero to make the battle a little easier. The results also has risultatiHuntaro Tanaka (Valkyrie Chronicles, Fantasy Star 2 Naline 2es) is the Creator and also takes care of the script.
