(He works hard) Everyday, I try and I try and I try But everybody wants to put me down They say I'm goin' crazy They say I got a lot of water in my brain Got no common sense I got nobody left to believe Yeah, yeah yeah Oh Lord Somebody, somebody Can anybody find me, somebody to love? The only concern I have is that some of the background vocals weren't included in the arrangement, but otherwise it is fantastic. Each mornin' I get up I die a little Can barely stand on my feet Take a look in the mirror and cry Lord what you're doing to me I have spent all my years in believin' you But I just can't get no relief, Lord Somebody, somebody Can anybody find me somebody to love? They have released fifteen studio albums, five live albums, and numerous compilation albums. Queen had moderate success in the early 1970s, with the albums Queen and Queen II, but it was with the release of Sheer Heart Attack in 1974 and A Night at the Opera the following year that the band gained international success. It debuted on the band's 1976 album A Day at the Races and was also featured on their compilation album Greatest Hits.
