# SIZE GUIDE

You look your best when the fit and cut are just right...

## 1. BUST

Measure around the fullest part of your bust. Make sure to breathe out.

## 2. WAIST

Keeping the tape measure taut, measure around your natural waist: this is at the narrowest point.

## 3. HIPS

Measure around the widest point of your hips.

## 4. SKIRT LENGTH

Measure from the waist in a straight line to the hem at the side.

## 5. DRESS LENGTH

Measure from the highest point of the shoulder seam to the hem.

## Size Chart

SIZE TABLE

	10	12	14	16	18	20	22	24	26

XL	14	12	46	98	80	106	81.5
2XL	16	14	48	102	84	110	82.5

### Women's Measurements.

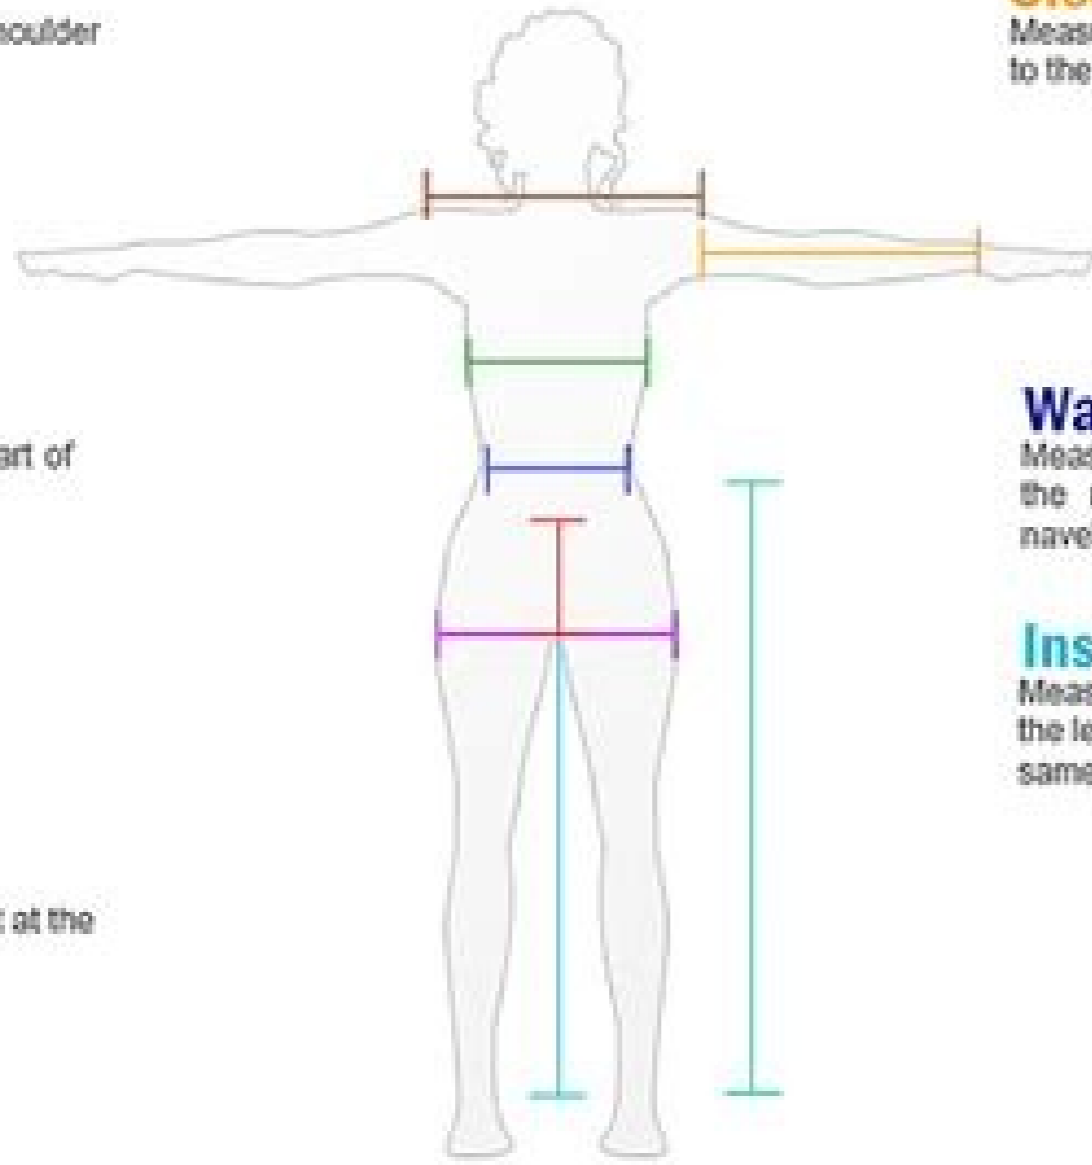

Listed below are a the most commonly used Women's product measurement terms. To help you choose the best size, we recommend that you compare each product's measurements with your own. Sizes and fit generally vary somewhat by brand.

#### Shoulder

Measured from the tip of one shoulder to the tip of the other.

#### Sleeve

Measured from the tip of one shoulder to the cuff of the same arm.

#### Bust

Measured around the fullest part of the bust.

#### Waist

Measured around the slimmest part of the natural waistline -- Above the navel and below the ribcage.

#### Rise

Measured from the top of the waistband to the crotch.

#### Inside Leg

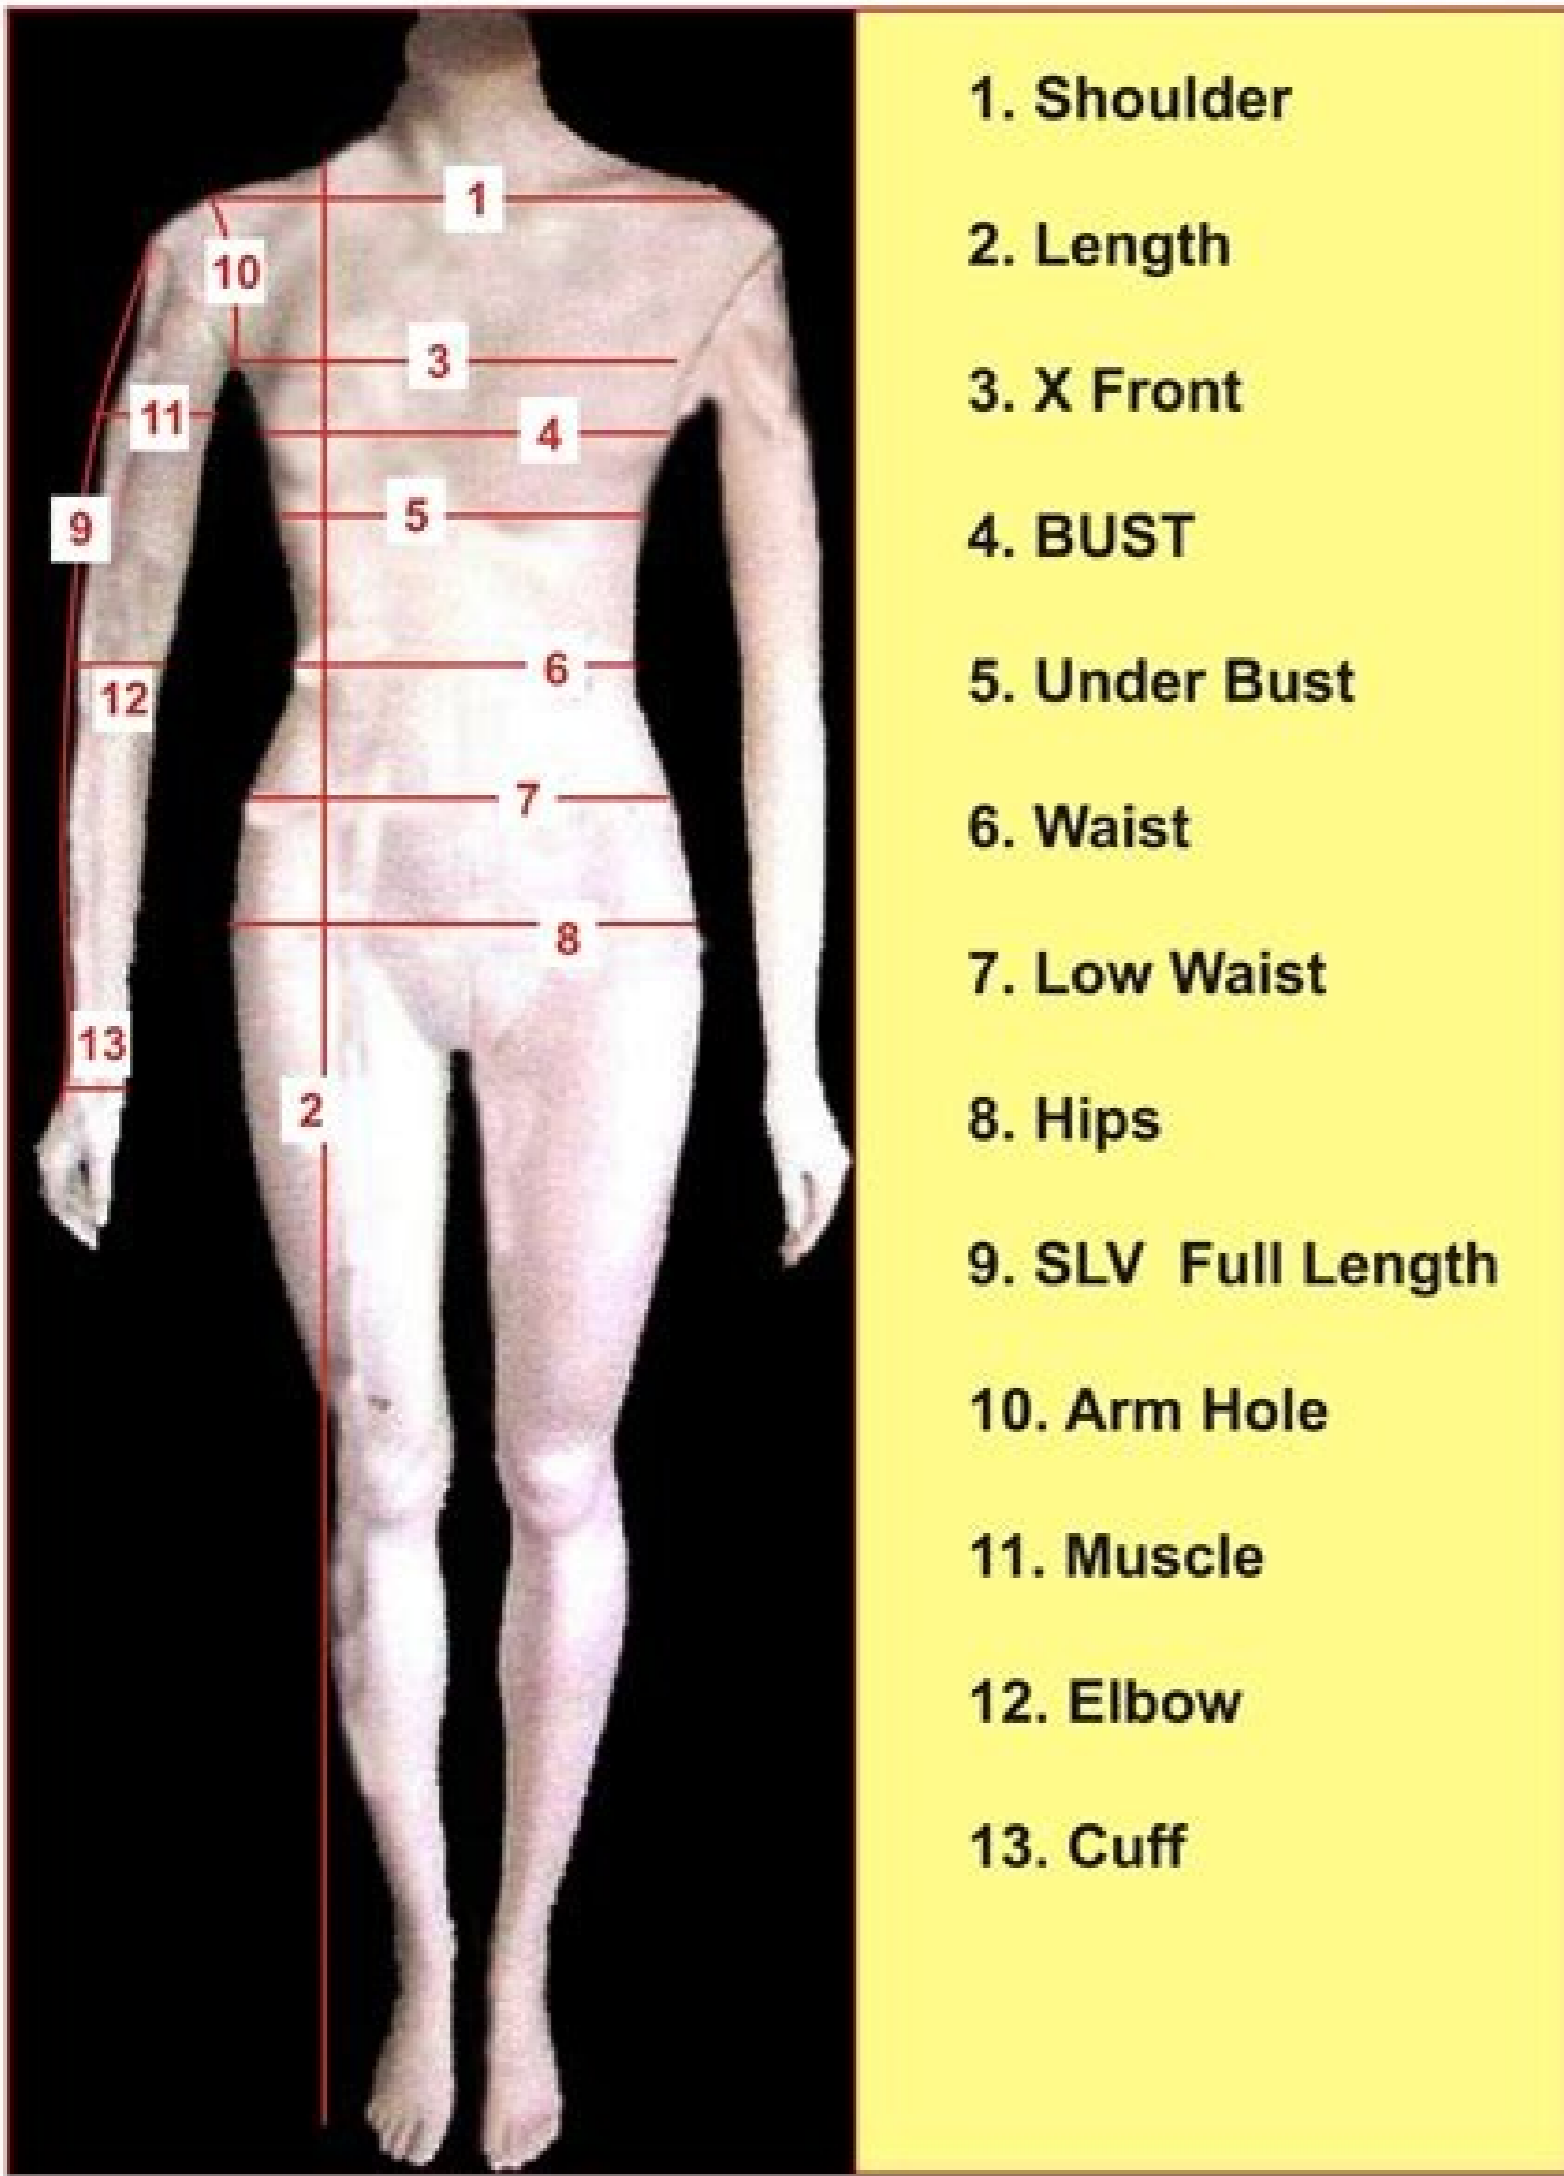

Measured from the top, inside part of the leg at the crotch to the ankle of the same leg.

#### Length

Measured from the lowest point at the back to the hem.

Are boohoo jackets true to size. Boohoo size guide inches.

Buying your exact body type and finding clothes you feel comfortable in and confident in can be difficult, especially with so many options on the market. From small to high, from plus size to motherhood, stores offer many ranges of clothing: it can be confusing to evaluate which one suits you, but this guide will help you understand each of them and find the best size for you. Petite Many people think that small clothing is about body shape and weight, but it really has nothing to do with it. Petite dresses are specifically designed for women 5ft 4in and below, who generally have shorter torsos, arms and legs, and narrower shoulders. Petite trousers and jeans have a shorter leg length than normal; shirts, tops and sweaters have a smaller sleeve and length; and skirts and dresses are shorter in length and have a higher waist. They are specifically designed to flatter shorter women, make them look taller and feel their best. Regular regular clothes are made for women who are of average height - between 5ft 5in and 5ft 7in. Regular clothes are widely available, so women in this category will be spoilt for choice when it comes to shopping. Women who fit in regular clothing vary in shape and size, and regular dresses come in all UK women's sizes. Regular trousers and jeans are 32", while skirts and dresses vary in length according to their design, but regular items should fit well for women between 5ft 5in and 5ft 7in. High high dresses are intended for women 5ft 8in and above, and are designed to shorten and flatter the figure of the tallest woman. High dresses are made with longer sleeves and hems, while jeans are made with a leg length of 34" on average, although in some stores you can get longer leg lengths. High dresses are available in most UK women's sizes and in many online stores. Plus Size\ Curve Plus size and curved clothing is designed for curvy women and offers pieces that are flattering for that shape. Plus size clothing sizes vary from store to store, but most retailers offer clothes in the UK 14-32. Clothes are usually made with longer hems, wider straps, and more space around the torso, arm, and stomach than standard clothing. Many stores have a dedicated curved section with specific pieces designed with more curvier women in mind, while some retailers offer the same clothes but in larger, more inclusive sizes. Maternity maternity sizes work like regular clothing sizes, so if you were a size 10 before pregnancy, you'll still be a 10 in maternity clothes. Maternity wear is specifically designed and tailored for pregnant women, with extra fabric and details that keep women comfortable during pregnancy. The jeans have elastic panels on the belly, the tops are longer and wider to ensure they fit the bump, and details like buttons and zippers are left out to ensure they don't stick to the bump. Many retailers offer a designated maternity section in SIZES 4 and later in the UK. Retailers' ASOS ASOS branded apparel is available in petite, regular, curved, tall and maternity ranges. Petite dresses are available in sizes 2-16, regular dresses are available in sizes 4-18, curved dresses are in sizes 18-30, high 4-18, and maternity sizes are available in 4-22. You can find out exactly how each size in ASOS is measured in the table below: To learn more about ASOS dimensions, click here. Boohoo Boohoo is another retailer that offers petite, tall, plus size and maternity ranges alongside their regular clothing line. Regular clothes are available in sizes 6-16, petite ranges from 4-14, high sizes are available between 6-16, maternity sizes are available from 8-16, and plus sizes are available in 16-24. To see the exact dimensions and measurements of Boohoo, see the table below: And for the full Boohoo guide, click here. M&S M&S's regular clothing line ranges from 6 to 24, a slight overlap with their specific petite range available in sizes 6-18 and plus sizes at sizes 18-32. They don't have maternity clothes on-site, but they do offer maternity underwear and loungewear. See the table below to learn how M&S dimensions are measured. To learn more about M&S sizes, click here. Missguided Missguided offers regular, plus size, petite and high clothing ranges. Their petite range is available in sizes 4-14, regular and high dresses are sizes 4-16 and the largest size is 16-24. The table below summarizes the dimensions and measurements of Missguided: Or click here for a complete guide to Missguided. New Look New Look offers a range of inclusive dress sizes for different body types. Their petite line offers sizes 4-16, the regular line is available in sizes 6-18, high dresses and maternity is 8-20 and their range of curves is available in sizes 18-32. See the table below for detailed information on New Look sizes and sizes: To learn more about New Look sizes, click here. Pretty Little Thing Pretty Little Thing offers regular, smaller, taller dresses, but it doesn't have an on-site maternity range. Their small size range 2-14, regular sizes are 4-16, high are 6-16, and their range of plus sizes is available in sizes 16-24. To see the exact dimensions and measurements of Pretty Little Thing, see the table below: For the Full-Size Pretty Little Thing Guide, click here. River Island River Island does not offer a high or maternity section. Their small clothes range from 4-16, regular clothes are available in sizes 8-16, and the largest size is 18-28. Look at the table below to see how River Island's size measures itself: And click here for their life-size guide. Superdry Superdry currently has no petite, tall, plus size or maternity options. Their clothes come in sizes 6-16 or XXS-XXXL, depending on what you buy. Their size guide can be found below: Or click here to learn more about Superdry's dimensions. And if you want to stay up to date with the latest fashion news, trends and style tips, read our blog. Plus Size Coats & Jackets Calling all layer players: we've got a fresh drop of plus-size coats & jackets you're sure to obsess over. Strut into the fall/winter season with all the latest - woven kimonos, ruched sleeve blazers, and faux fur plus size jackets. 16/11/2021 - BoohooMAN has released a new range of its Tall collection with basketball star Shaqir O'Neal. Known for playing college basketball for Texas Southern and being the son of NBA legend Shaquille O... Shop Jersey Varsity Bomber Jacket With Badges at boohooMAN.com and upgrade your look!
