Lily of the Valley/Lily of the Valley is a script font with some lovely decorative touches (Image credit: DaFont) Gregory Medina - aka dcoxy - does a great line in free script fonts, and one of our favourites, Lily of the Valley, has been fully updated for 2020. It's economical with its use of the letterforms, reducing the capital A to a simple up/down stroke with a stylish flick. It also makes use of OpenType features to make it appear all the more natural. Free for personal use only.21. Another great freebie from the makers of Barcelony (above), this free script font is free for personal use, and \$11 for commercial use. 05. Here's one we'd highly recommend. Supporting 280 characters, this font is free to download for personal use only.15. Free for both personal and commercial use.Related articles: Created by The Hungry/JPEG and featuring more than 90 hand-drawn characters, it enables you to add a dash of originality and individuality to your lettering and logo designs. A great choice for logos, packaging and posters, Hoodson Script is the work of Hendra Maulia, and can be freely downloaded for personal use, while a commercial licence costs \$17.12. Cervantis Signature Script is a great collection of free script fonts with a convincingly natural flow and style. It's free for use in personal and commercial projects.31. The Woodlands/The Woodlands is free for both personal and commercial use (Image credit: Pixel Surplus/Jeremy Vessey) One of the best free cursive fonts we've seen in a long while, The Woodlands offers a strikingly modern and original take on the calligraphic aesthetic. This hand-drawn calligraphy font from Gizem Kiliç enables you to add a lovely personal feel to wedding stationery, cards, letters, and similar designs. Arkipelago contains extra alternate letters, and is free for both personal and commercial use.06. Using free script fonts (or free cursive fonts) in your design can help to add a special and versatile aesthetic. It's free for both personal and commercial projects, as long as you credit its creators.34.
