Bdo fishing money making guide. Bdo fish selling guide. Bdo freshwater fishing guide. Basic freshwater fishing setup.

Each time you throw your fishing rod, you have a chance to lose durability in the item. To get a boat, you can buy it out of the central market or create it yourself. In a perfect reel, you begin to skip the last part of the minigame and get your fish instantly. The second and last phase of the minigame is when you just need to push the right buttons within the given time. Although these missions can be quite tedious and are not recommended. Benefits of fisheries and higher: the higher the fisheries ability, the faster and probability of you catch up superior fish (degrees: white, green, blue, yellow, orange) will have the ability to use better sticks. You unlock certain fishing missions. You can see more "detection hotspots" in the ocean. For you to use the fish discarding setting. However, you can still use your accessories from another life skill domain for an extra bonus. Legendario can be caught in specific locations both in the sweet water and the sea. They spawn near the ports of Velia, Ephotheria and Area, as well as some spawning. There is also special hotspots of coelacanth. Some fishing sticks can be improved with black stone (weapon) for extra status and / or durability. For the maximum profit, you want to ideally sell your fish to the comment manager who is more distant from the origin of your fish. Then a bar will appear that fills and empty 3 times maximum before failing automatically. If you are fishing inside in a river or lake, you only see the school of fish jumping out of the water. If the durability reaches zero or running out of inventory space, you will stop fishing. Fishing can be actively made or AFK and many players opt for AFK fish in an alt character at night for extra profit. Fishing is one of the most easy skills to enter.

because everything you really It's a fishing rod to get started. You can mark the box interface to make sure you can not be by other players on a boat. You can also use a brand Spell Stone (Pearl Store> Function> Misc. The goal of the game is to shoot the fish that nothing, moving the mouse to aim and press the space). If you hold [space bar] and invest in your cast. Check our fault guide to see how many faults you should use in them. You ideally want to use a Float Float +10. If you fail, you have to re-lance As your line and wait for another bite. If you have combined this method with a triple-floating fishing rod you have the chance to get 5 fish in a cast! The most popular areas for fish AFK are: Vella Hotspot - [Click for location] Insurance Zonedecent Drop Crystal Rate of Ancient Shardgives A good amount of yellow fish but lower value of low value of low Crystal Falling Falling RELICK SHARDSALWAYS Exhausted Resources Teeth Fairy Cabin - [ Click for location] Safe ZonaHigh Drop Crystal Rate of Ancient Shards2 Possible Fish CO M Low Drop Ratgrana is close by selling your fish via imperial delivery. You can do this by pressing [ESC]> ~ Disconnect À ¢ à ¢ ¢ "¢" O and sell your fish rarity is consistent with the types of rarity in the black desert online. The longer you let them lower the price price Get until it reaches 0% and can not be sold.Fish are sold for any comments manager. You will still keep garbage independently, but garbage has own uses (check the fishing serve section below for more information)! One level of fishing life is necessary to use discard: White fish icon: Professional 1 + Green fish icon: Professional 1 + Blue Fish Icon: Artisan 1 + Yellow to Fish Cone: Master 1 + After the Double checking your location and discarding settings, the last thing to do is close the game for the tray (this does not get out totally). White fish ~ approximately 200 silver green fish ~ Approx. 2K Silver Blue Fish ~ Approx 5k Silver Yellow Fish ~ Approximately 125k silver once you take a fish, will have a 24-hour expiration date on them. You can use a brand of identification format mark (Panal Store> Function> Misc. It's useful if you like to have your energy accounts under control. When you have a bite , your character will wait 3 minutes (base hourly) for you manually pick up the fish. You only have a certain amount of arpoons and time to hit the fish and bring the health to zero to capture it. To make a profit of Drag you really need at least 700 fisheries masterpoints. Coelacanth is an orange fish worth 125.000 silver. A good source of EXP is also completing the fishing missions around the game. Press [ R] to pick up the fish and put it in your inventory. To achieve the level 5 fishing ability, you can use a combination of the following buffs: fishing suit (+1) fuff (+1 A +3) Silver Embroidery Fisher Fufo (+1 A +2) Balenos Meal (+2) Fisher's Elixir (+2) Alchemy Stone /Life Spirit Stone (+2) DES for estimation (+1 per esteem animal) Tailoring coupon (+1) Ideally, although Please try to maintain the fishing capability level 5 WI Thout Popping Food / Elixirs / Alchemy Stone so you have the level 5 chandelier for AFK fishing as well. UNCE you have a fishing rod, approaching any source of water with your equipped, equipped fishing rod, Press [Space] to launch your line. The less resources there are, the longer it will take you to have a bite, then ideally that you want abundant resources, but it is not very important that you should worry about this.banow are fishing resources . Lower listed for the smallest: Abundantaverage It is not enough after having a bite, it will be indicated with a fishing speech bubble above your head. You should press [space] to get the mini-game. Fishing rods are equipped in your main gun slot. Because of this, hotspots can be highly profitable. If you rephrase your line without pressing [R], the fish will be deleted. You should also make sure AFK in a safe area if you are going AFK for a long period of time, because some players can decide to kill you or take it with them on an adventure. You can also select the degree of fish you do would like to play out. With a maximum of 10 points of energy, you can scroll for a chance to pick up several fish. The more the sequence, the better the fish you are recovering! After successfully completing all phases of the minigame, you will receive a window with the fish that has just been caught. Instead, they can now be sold in the central market, but they may not be worth much depending on the type of fish and demand. When you go to launch your line, you can also hold [space bar] and invest energy in your cast. There are many different types of fishing sticks you can use. They can be sold to high price merchants, but imperial fishing is not available. Balenes fishing rod can also be repaired, contrary to many other fishing rods. You will start fishing and now you should wait until you have a bite. There are different fishing resources, depending on where you are fishing and how many people have fished in this area. It is when the game is run as a background process, but it does not carry your graphics card. Blue and yellow fish can also be sold in an Imperial Fishing Delivery NPC, but NPC only accepts a certain of fish. Negotiation for for With the buff of craftsmanship is viable and can strongly increase your profit, but it can be more time consuming. You can also dry fish before expiring and this will preserve them, but you can not sell them again for a merchant. On the contrary of other access points, these coelacanto hotspots will disappear after the first fish being caught. Drag income depends completely on capturing fishing fish and because of this it can be quite inconsistent. The best location to go is the sea of the central margoria (you can find where this is, checking our map and adding the marbles as an extra layer). Vehoo Guide This Vehoo and Vehoo Guide was created by our RANJIKO employee in Bfoundry and has been maintained by our other team. There is also a chance for you to pick up several fish with a cast on a standard fishing rod. They can not be repaired or improved. You can get a perfect spool if you can press the space bar at the exact time the bar is completely full. For example, if you select the green fish icon, you will throw out the following fish classes: white, green. This is because the ballen fishing rod can be reinforced and provide greater durability and also increase the speed you take. If you have combined this method with a triple-fluctuating fishing rod, you have the chance to get 5 fish in a cast! To set AFK fishing, all you need to do is throw your line. You can find the imperial NPC closest by clicking the magnifying glass in the upper left corner next to your minimum and looking for "deteche" in the search box. You should press [Space] again while the bar is in the blue area. For each node between the source of the fish is an increase in price ~ 3%. If you succeed, you reach the last phase of the minigame. Boats are essential because the Hotspots are in the middle of the sea and move every 30 minutes. Dried fish are used à ¢ à ¢ 400 Panels) on the fishing rod to reduce durability consumption, allowing you to fisheries for longer before your rod breaks, but this is only recommended if you have enough stock slots and are not filling in Your inventory at night. For active fishing, you should use a triple book rod (if available), or a mediah rod for sweet water fishing and Calpheon rod for salwater.below fishing is a complete discrimination From all fishing rods: item namedetailshow to obtain the fishing scan: 10 CONSTRUCTION ASTRACT Fishing 10) Durability: 40Fishing Speed Level + 1Cannot Be Repair Ocannot Be EmancannaNot (Level 1) Gray Timber X1Copper Logote X1Black Stone P6x3Steel X3Stael Requires Fishing Expert 5) Durability: 65Fishing Speed Level + 2Cannot Be RepairCannot Be Office (NAVEL 2) Ash Timber X1Steel X2Black Pedra Em Po X4balenos Fishing Fishing 50 to 100 (depending on improvement) Automatic fishing time - 10% to -25% (depending on enhancement) can be repairing can be repair can be improved of workshop (level 3) ash ashes x1steel x2pure copper crystal x5monk's X9Black branch stone X1SPHERIA RODDURBITY: 50 to 150 (depending on improvement) can be repairedtool workshop (# 3) birch wood x1steel x2pure iron crystal x5monk branch X9Black stone in olive x15mediah fishing rod (requires fishing craftsmen 1) Durability: 50Chance to catch rare fish + 1% to + 5% (depending on improvement) can be repaired can be improved can be improved workshop (level 3) white cedar x1steel x2pure zinc crystal x5monk's branch X9Black stone x1scalpheon rod Fishing (Requires Professional Fishing 1) Durability: 50Chance to take big fish + 1% to + 11% (depending on improvement) can be repairing can be repairing the Doroool Workshop (Level 3) Fir Timber X1Steel X2Pure Lead crystal x5monk's branch X9Black Stone 15golden fishing rod (requires nenal fishing professes 5) Durability: 100Fishing level + 3canot is reparadocannot workshop (level 3) gray x1steel x2gold ingot x2black stone} fisheries float (requires qualified fishing 5) durability : 30can Catch Multiple fish in oncecanot Being repaired only are obtained for mission or central market [weekly] a special fishing rodrewards X3 fishing wheels fishing floats / fishing chair floats are equipped in your weapon slot of improvisation and can be repaired and improved with weapon blackstones. > 400 Pantry) To reduce durability. 50Chance to pick up rare fish + 1% to + 5% (depending on improvement) can be repair Improved Doroool Workshop (Level 2) Maple Timber X1oil Tranquil X3red Crystal X2Pure Lead Lead X2Hash Tree Float (requires fishing fishing 1) Durability: 50Chance to pick up large fish + 1% to + 11% (depending on improvement) can be repairing can be repairedtool workshop (level 2) Ash Timber X1Oil Tranquil X3Translucent Crystal X2Pure Lead Crystal X2You Can Use Cry Fishing chair that goes to your slot.crio.Crio fishing chair can be worked on the carpentry workshop # 3 of each cityCrafting material: à, X15 Standard Wooden Square, x15 ash plywood, steel x5, branch From monk x5, X20 origin tracking, the x5Vocent plywood hardener can change the bones of the fish and tattered boots for the fishing chair of the crio in the Cry, to get the crimmet fishing chair. The crio fishing chair has a base durability of 100, and consumes 1 durability per fishing attempt. The crio fishing chair can be equipped for the character and gives fishing domain + 100.players have discovered that it is generally better to use the maple board instead. fishing gear / buffsto maximize the quality and quantity of fish caught You need to be high fishing and / or maximum fishing ability. If you select the yellow fish icon, you will play out: white, green, blue and yellow. The greatest rarity of fish, the more experience she will give. Fish does not stack in your inventory, so having a lot of inventory space is important for your fishing character. Different levels of fishing levels are: Fishing Level 1 ~ à ¢ "10Prendice Level 1 ~ à ¢ , ~ "10Master Level 1 à ¢" 30Guru Level 1 + Fishing levels can be obtained by catching fish and receiving experience. Hotspots will only give you a yellow fish of a kind. Note: You do not need to link the us to sell your fish for the maximum price. This does not apply to fish sold via imperial delivery. For example, you can find a grunt hotspot. You can only get grunt fish. Hotspots have specific locations of spawn, but are completely random and last only 30 minutes before before to another random point. Check our fault guide to see how many faults you should use about them. For AFK fishing you want to have a fishing rod from +10 balconies. You will also need a fishing boat or toothed vessel (Harpoons can not be used à ¢
