The bible is ridiculous

Ä Å © fenÄ'meno a stranger - I noticed that the Christian apologists f usually the one tÄ'm f comprehension of the worst BÄblia than atheists. EstÄj full of histories horrÄveis combining the noÄšÄ f f version that the Christian God f Ä © absolutely and all-powerful. If God knew that humans would spoil human tÄ f evil, why he NA f stopped before of getting? Responds to reason that the f him in the f was not knowing in this case. If God wanted to manifest on earth, he would have become a fetus inside the Ä ç ~ Ä Virgin Ä ç ä, ~ "? It is to him in the f was all powerful in this case. Of course, none of these things really happened, but that in the hundreds of millions f pÄjra of people around the world to believe that they really did. they just indoctrinated be a young age to believe that his father says. And what? I expect that most Christian f actually read the BÄblia? Psssh. Enta we set up the f mÄxima list of Top 10 BÄblia verses that many Christian f ignore them or they may not even be aware of. Because after all, best way to become an atheist Ä © actually read the BÄblia 10, 1 TimÄ'teo 2:12 US in the f permit a woman to teach or to assume authority over a man;. She must be quiet I tried to use this verse when I arguments with my wife, but in the f Ä © very effective 9. DeuteronÄ'mio. 22: 13-21 If a man takes a wife and, after dorm go with her, do the f likes her and she lade and you Gives a bad name, saying, Ä ç ~ Ä I married this woman, but when I approached her, I nÄ f met the test of his virginity Ä ç ä, ~ "Enta f oo father and mA f young and bring the f for f the elderly in the city proof portÄ f what she was a virgin. His father dirÄj to Crone f them: "I gave my daughter in marriage to this man, but he nÄ f oo liked Now he slandered and said.. " I nÄ f met his daughter to be a virgin "But here Ä © proof of virginity of my daughter. Enta f o their show parents f oo cloth before Crone f the city, and Crone f led them f oo man and punish f o. They vain f a hundred and you Sifa f the [a] of silver and give them to the father of the f young woman, because this man gave a virgin Israel a bad name she continuarÄj to be his wife. him in the f must divorce her as long as he lives If, however, the accusation f o Ä © true and no proof of virginity of the young woman can be found, it serÄj taken Ä his father's door and there the men of her city the vain f pedravÄj it ATA © death. She has done an outrageous thing in Israel by being promÄscua, in her father's house, you must remove the evil away from you. TLDR Ä ç ä, ~ "the BÄblia says to kill women who have sex before are married. The Christian f the like to dismiss this by saying - oh, this Ä © the Old Testament. We will actually in the f prostaremos more attention to the f Old Testament since it was overridden by the New Testament. Aft this logic, I think the whole "Ä ä ~" The thing should be ignored, right? This Ä © in the Old Testament. 8. DeuteronÄ'mio 25: 11-12 If two men are fighting the f and the wife of one of them comes to rescue her husband from his assailant, and she alcanÄšae agarrÄj him by his private parts, you cortarÄj the mA f o. Show him off. DeuteronÄ'mio Ä © probably my favorite parts of the Old Testament because you get a full dose of crazy before people have a little more palatÄjvel tornÄj it in the New Testament. Seeing a fig tree by the road, he was minutes © him, but f found nothing in it except leaves. Enta f o he said: Ä ç ä, ~ä "Do Ä f Ä" the VOCA never bore fruit again Ä ä ~ immediately wilt Äjpvore When discÄpulos saw it, were surprised Ä ç !.. ~ "How did the fig tree with tÄ f quickly? Ä ç ä, ~ ". They asked Jesus said, Ä ç ä, ~ " I tell you, if you have © fans and the f divula, do the f You can do what was done to the fig tree, but you can also tell this mountain, go, shoot yourself to the sea, and that will be done. If you believe, you will receive everything you ask in Jesus prayer. ç Just Straight-up murdered a tree because did not have fruit on it at that very moment. Then again, make the logic here: Jesus is God. God is omniscient and omnipotent. God was annoyed that the fig tree did not have fruit for him. God kills the tree because did not bear fruit. Will God not know the tree was free of fruit? So God is not omniscient. Was God unable to produce fruit in the tree? So God is not all-powerful. In addition, why does God need to eat food anyway? 6. The Judgments 14: 6 The spirit of the Lord came powerfully about Him so that He shattered the Lion with His own hands as He could have ripped a goat. But he nor his father or his mother or what he had done. Samson was walking with his parents when he saw a lion. He decided to rip his lecture to not bother his parents with him. As you do. 5. The genesis 19: 30-38 Lame and his two daughters left Zoar and settled in the mountains, because he was afraid to be in Zoar. He and his two daughters lived in a cave. One day, the eldest daughter said to the youngest, ese our father is already old, and there is no man here to give us childish as usual throughout the earth. Let ahead get our father to drink wine and then sleep with him and preserve our family line through our Father.Ä ç That night, they have their father to drink wine, and the eldest daughter entered and slept with him. He was not aware of it when she lay down, nor when she got up. The next day the eldest daughter said to the youngest, a last night I slept with my father. LETA S will take you to drink wine again tonight, and you enter and sleep with him so that we can preserve our family line through our Father. ç So, they have your father drink wine That night too, and the youngest daughter came in and slept with him. Again he was not aware of it when she lay down, nor when she got up. So the two daughters Lota s was grain from his father. The eldest daughter had a son, and she called him Moab; He is the father of the Moabites today. The youngest daughter also had a son, and called him Ben-Ami; He is the father of the Ammonites today. Sodom and Gomorraa were destroyed, as punishment for an attempt to rape angels. Oh, wife and lota s was turned into salt because she looked back. Cane t forget that part that really, really happened.ä, then, what happens next is two daughters conspire to get their father's bond, so they can get pregnant with baby fathers. The Old Testament is full of a lot of incest. What takes us to: 4.The Gunes 9: 20 21 NO, a man from the ground, began to plant a vineyard. When he drank a little of his wine, he became a ben and was discovered inside his tent. So, yes, this is also strange. He was not about 500 years old, when he and his children supposedly built the ark. This allegedly occurred about 4500 years ago (you know, since the same book says that the land is about 6000 years of age). But after this 500-year-old boy and his children built a huge ark without any modern-day equipment or cranes, after receiving the penguins in the antaogal to swim for the East Mention, after receiving kangaroos in Australia to Hop, jumping and swimming to the East Mention, and after cornering the dinosaurs like Tyrannosaurs Rex for the ark (yes, they really think the dinosaurs were in the ark), and after the dilddivously, it's not fucking waste Apparently and passes out naked. And once theyÄ ç™ re the only 8 people who stayed on earth after the dilidal, they begin to repopulate the earth. A lot of stories in the Bible just sounds like incest with additional measures. GÄ'mnis 1:30 and to all animals of the earth and all birds of the sky and all animals that move throughout all groundÄ ç that has the fond of In it, I give every green plant for food. And it was like this. Accompanying themselves at all Ä ç ~ Ä "AK Ä Ä Ä Ä ç" The thing: creationists believe that all animals before the flood were vegetarians. All of them. Including T-Rex. They also believe that this is how they did through the flood - eating plants they grew up in the top boat. We only ignore the fact that, if it is raining for 40 days, there will not be much sun for plants to grow. 2. 1 Samuel 18:27 Therefore, David emerged and was, he and his men, and killed the Philistines two hundred men; And David brought his foreskins, and they gave them in full tale to the king, which he could be the king's son in law. And Saul gave him Michal his daughter to his wife. Our penalty verse is getting a bit strange - with foreskins. Basically, David wants to marry a woman, but his father (which happens to be the king) and the foreskins of his enemies before David can marry. Which is understandable. But the whole thing was a trap, because the king thought David would be killed in the process of gathering 100 foreskins. But he obtained double that amount of foreskins. Because: Foreskins. 1. Ezekiel 23:20 And she discredited after her lovers, whose genitals were like those of donkeys and whose emission was like that of horses. I can not say that I've seen a donkey pounds before, I did not even see the ejaculate of a horse. And I definitely do not think I'd like to type the previous sentence and post publicly, but here we are. BÄ'NUS: ÜŠXODO 21: 20-21 If a man hits his male or female slave with a club and the slave dies as a result, the owner must be punished. But if the slave recover within a day or two, then the owner will not be punished, since the slave is his ownership. If your moral book contains instructions on how to treat my slaves, your book is not a vast source of moral code. What are some of your favorite verses of the Bible that the Christians forget?
